Overview

The CompTIA Project+ credential verifies a student's knowledge of the entire project management life cycle as well as the skills needed to initiate, plan, execute, monitor and control and close a project.

CompTIA Project+ also includes the business, interpersonal and technical project management skills required to manage projects and initiatives.

Why Choose StormWind EPIC Live?

With massively engaging content, Hollywood style HD content delivery, and passionate instructors that live and breathe IT, StormWind EPIC Live was designed and inspired by eliminating everything we despise about traditional, boring online and classroom training.

Hollywood meets IT training: online classrooms never looked this good.

StormWind's EPIC Live CompTIA Project+ course provides 24x7 access, work-friendly 2-hour class sessions with the best instructors in the business, and cinema-quality content to help students stay engaged. Our CompTIA Project+ course includes:

- Instant Replay – On Demand HD video recordings of the Live sessions, available 24x7
- Certification Practice Exams
- 1:1 Mentoring with our expert instructor for the entire term
- Downloadable Student Guide
- 11.5 Professional Development Units (PDU) towards your PMP

Senior Instructor: J. Ashley Hunt

There's simply no substitute for a great instructor. Over the last 15 years, Ashley has helped thousands of students in hundreds of companies around the globe prepare for the PMP® exam. She has developed an admirable reputation as a consultative trainer, subject-matter-expert, and engaging speaker in several disciplines, consistently receiving exemplary evaluations and high praise from her students. Her lively personality and use of stories and experiences always produce a highly informative and entertaining learning engagement.
